The *Journal of the Future Studies* is an open access peer-reviewed international journal published 12 times a year at the end of each month with a purpose to enhance our science knowledge dissemination in the world. Any valuable paper that describes a science branch is welcome. Our aim is a green world and hence, the journal have a paperless base to avoid cutting more trees and producing smaller amount of carbon.

**Editorial Board:** Please note that all the manuscripts will be processed in a rigorous peer review process under professional editors' handling ([Editorial Board](#)). After the peer review, the journal will make the best efforts to publish all the valuable works as soon as possible.

**Indexing:** EngineersPress has indexed the Journal of the Future Studies by several world class databases. For more information please follow [This Link](#)
