The *Research Magazine* is an open access peer-reviewed international journal published 12 times a year at the end of each month with a purpose to enhance our research knowledge dissemination in the world. Any valuable paper that describes a science branch is welcome. Our aim is a green world and hence, the journal have a paperless base to avoid cutting more trees and producing smaller amount of carbon.

**Editorial Board:** Please note that all the manuscripts will be processed in a rigorous peer review process under professional editors' handling (Editorial Board). After the peer review, the journal will make the best efforts to publish all the valuable works as soon as possible.

**Indexing:** EngineersPress has indexed the Research Magazine by several world class databases. For more information please follow [This Link](#).
